PRODUCT END-OF-LIFE NOTICE

As of January 1, 2023, Identiv formally announces the End of Life (EOL) campaign for 3VR Video Management Software and 3VR Video Analytics. The EOL campaign is scheduled to last three years and will end with the complete discontinuation and support of all 3VR products on December 31, 2025. Please reference the schedule below for important milestone dates.

Identiv appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future requirements with our new VMS and Analytics Solution, Velocity Vision.

For further information on Velocity Vision and our 3VR Migration Campaign please contact Rick Urban, Sr. Product Manager, rurban@hirschsecure.com..
